RenewDentalGR.com

We are personally reaching out to all of our patients to address the current situation with the coronavirus (COVID19). Renew Family dental has always maintained the highest sterilization standards according to the Michigan Department of Health and Human Services (MDHHS) and Occupational Safety and Health Administration (OSHA). That being said we want to assure you that, as healthcare providers, we are closely monitoring the situation and will be communicating with the MDHHS and the CDC for any new developments.

Due to the local spread Renew Family Dental is taking the following actions to minimize the risk to our patients, their family members, our staff and our surrounding community.

- If you or any of your family members are experiencing any cough or flu-like symptoms please call our office to have your appointment rescheduled
- If you or any of your family members have traveled by airplane in the past 2 weeks please call our office to reschedule your appointment
- If you are immunocompromised and concerned about coming in please call our office to discuss rescheduling your appointment
- At this time we request that only ONE healthy person accompany any patient in the office, who may be asked to wait in their vehicle. We understand that this may be difficult for parents whose children are out of school, please call our office if you would like to reschedule your appointment.

We will remain open and will continue to maintain a clean and safe treatment environment for our patients as is our standard. The safety of our patients, your families, our team, their families and our communities are our top priority. If you have any other concerns please call our office to discuss them with one of our staff members directly.

Two handwritten signatures in black ink. The signature on the left is for Dr. Alexandra Dodds, and the signature on the right is for Dr. Donald Vander Linde.

Dr. Alexandra Dodds and Dr. Donald Vander Linde
